

NexaWorks AI Solutions - Pricing & Engagement Models

Flexible Engagement Structures Tailored to Enterprise Scale

1. Fixed-Price Turnkey Delivery

Ideal for well-defined Proofs of Concept (POC) and Minimum Viable Products (MVP). Scope, milestones, and deliverable schedules are locked upfront. Typical engagement range: ?1,500,000 to ?3,500,000 (\$20,000 - \$45,000 USD).

2. Time & Materials (T&M) Rate Card

For evolving enterprise initiatives requiring flexible resource allocation. Billing is monthly based on actual logged engineering hours.

? Lead AI Architect: ?6,500 / hr (\$80/hr)

? Senior LangGraph Engineer: ?4,800 / hr (\$60/hr)

? RAG & Vector Database Specialist: ?4,200 / hr (\$52/hr)

? Fullstack UI Developer: ?3,500 / hr (\$44/hr)

3. Enterprise Managed Support Retainer

Post-launch operational support, model re-evaluation, prompt optimization, vector index re-indexing, and SLA response guarantees. Starts at ?500,000 / month (\$6,000/month).
